

How to log-in to it@cork site

- You must login to it@cork site in order to register for it@cork events.
- Select login on the top right-hand corner of the screen
- Enter Email and Password
- Once logged-in, you can then register for it@cork events directly.

A screenshot of the it@cork website's Member Log In page. The page features a dark header with the it@cork logo on the left and navigation links (HOME, ABOUT US, WHAT'S ON, WHAT WE DO, TECH JOBS, CONTACT US) on the right. A green button labeled "ITCORK SKILLNET" and a purple button labeled "LOGIN SIGNUP" are also visible. The main content area has a dark background with the text "Member Log In" and a link to "Member Log In". Below this is a white login form with the heading "Log in with your it@cork account". The form includes input fields for "Username / Email" and "Password", a "Remember me" checkbox, and a "Forgot password?" link. The URL "https://www.itcork.ie/login" is visible in the bottom left corner.

How to create an account on it@cork site

If you are a member of it@cork and you wish to sign up on the it@cork website (to register for events), you will need to:

- Select the 'Sign Up' button on the top right of the home site
- Select an email (as username) and a password. *Note: you must use a company domain name and not a personal email address (e.g. gmail, yahoo etc)
- Under profile Type – select Personal.
- Under Your Company – select your company
- Fill in first name and surname.
- Select register

Repeat this process to register other employees in the business.
