

Login & registration details for it@cork website 2020

Members of it@cork must create and maintain a company specific member account on the it@cork website in order for its employees to: (1) register for events and (2) submit job vacancies on the new careers section of the it@cork website.

Employees can register their details on the it@cork site by following the instructions outlined below.

How to create an account on it@cork site

If you are a member of it@cork and you wish to sign up on the it@cork website (to register for events), you will need to:

- Select the 'Sign Up' button on the top right of the home site
- Select an email (as username) and a password. *Note: you must use a company domain name and not a personal email address (e.g. gmail, yahoo etc)
- Under profile Type – select Personal.
- Under Your Company – select your company
- Fill in first name and surname.
- Select register

How to log-in to it@cork site

- You must login to it@cork site in order to register for it@cork events and to advertise jobs on Jobs section of the website.
- Select login on the top right-hand corner of the screen
- Enter Email and Password
- Once logged-in, you can then register for it@cork events directly at www.itcork.ie/whats-on/upcoming-events and you post a job vacancy at: <https://www.itcork.ie/careers-post-a-job>

The screenshot shows the 'Member Log In' page on the it@cork website. At the top, there is a navigation bar with the it@cork logo, social media icons, and buttons for 'ITCORK SKILLNET', 'LOGIN', and 'SIGN UP'. Below the navigation bar is a menu with links for HOME, ABOUT US, WHAT'S ON, WHAT WE DO, TECH JOBS, and CONTACT US. The main heading is 'Member Log In' with a sub-link 'Member Log In'. Below this is a form titled 'Log in with your it@cork account' with two input fields: 'Username / Email' and 'Password'. There are also checkboxes for 'Remember me' and a link for 'Forgot password?'.
