AGRITECH INNOVATION DISCOVERY WORKSHOP

WHAT IS IT?

A workshop to identify areas of opportunity for new AgriTech solutions to enable more productive and sustainable farming.

WHO IS IT FOR?

- AgriTech SME's in Ireland
 - Machine / Equipment builders & suppliers
 - Technology providers: software & sensors
 - Solution providers for sustainable farming
- Farmers and advisors
- Researchers

WHY ATTEND?

- If you have an AgriTech idea or need
- To brainstorm new AgriTech ideas
- To learn about support for AgriTech projects
- To become part of a project team
